Hey...I just need prayers or someone to talk to...

phoenixarrow475

My parents, as some of you know, are getting a divorce. They've been talking about what to do with me and Nacho for a while, and trying to find something that would "benefit us all." So they came to the conclusion that Nacho will be moving with my dad to Oregon and I'm staying with my mom.

I'm so sorry, Pluto! That's so sad, I definitely couldn't bare to be seperated with the rest of family..... Do you know what caused the divorce?

They've been fighting for a while, just about things like the fire and what's best for me and my 6 siblings.

You have my prayers, Pluto. But I think that the best for you and your siblings is staying together.

I agree with Fallon, separating siblings is probably the worst thing you can do to a childhood...

@Scarletrose - This is not the thread to advertise an RP. This is a serious issue.

@Pluto - While I understand why they decided it best to part ways, I don't think splitting siblings apart is a good idea. While I don't have siblings, I know what it's like to be parted with close friends, even though I also know how different that is. I can only imagine what you must be going through. You've definitely got my prayers, and I'm here if you ever need to talk. *hugs* It'll all be okay, kiddo. I know it will. :)

hey pluto, I know how all this feels like. You have my prayers.
It will all be fine. And at least try to tell them to keep you and your brothers/sisters in one place. If you guys parted then it can become difficult in the future.
Good luck.

@Pluto: aw that's sad I hope everything will be ok... splitting up in general isn't good for parents to do aspecially withchildren... try to tell them how you feel about this and if they say something like "it's for the better " or "this is what's best" then tell them it's not splitting up is just going to leave to sadness and heartbreak... i hope it goes well I'll pray for you and nacho.
